

# AMBIENTE DOCCIA PERSONALIZZATO CUSTOMED SHOWER SPACE

POSSIBILITÀ DI CREARE UN IMPIANTO PERSONALIZZATO NELL'AMBIENTE DOCCIA  
 POSSIBILITY TO BUILT A CUSTOMED SHOWER ENVIRONMENT

■ OMEZ offre alcuni abbinamenti di prodotto con la relativa impostazione di impianto idraulico.

Le proposte sono con rubinetti termostatici ad incasso con connessioni da 1 a 5 vie, oppure l'uso di rubinetteria esterna.

Omez offers shower solutions with personalized water plant.

The solutions are with concealed thermostatic shower valve with diverter, from 1 to 5 way-diverter, or it is possible to install exposed shower mixer, with 1 way-diverter on the column or directly on the mixer.

■ Ecco alcuni esempi / Here there some examples

**1 VIA**  
**1 WAY**

■ Impianti con RUBINETTERIA AD INCASSO  
 ■ BUILT-IN thermostatic shower valve solution

■ Rubinetto termostatico incasso +  
 Colonna doccia con presa acqua bassa.  
 Concealed thermostatic shower valve +  
 Shower column with lower water in-let.

■ Rubinetto termostatico incasso +  
 Colonna doccia con presa acqua alta.  
 Concealed thermostatic shower valve + Shower column  
 with upper water in-let.

■ Rubinetto termostatico incasso +  
 completo soffione con braccio.  
 Concealed thermostatic shower valve + Lateral shower  
 head kit.

■ Rubinetto termostatico incasso +  
 Kit saliscendi con presa acqua.  
 Concealed thermostatic shower valve +  
 Slide rail kit with wall elbow.

■ Rubinetto termostatico incasso +  
 Duplex doccia.  
 Concealed thermostatic shower valve +  
 Hand shower kit.
